

## **New Rebate Program for WaterSense® labeled fixtures in 2012**

January 25, 2012

Cinco Municipal Utility District No. 8 promotes water conservation through participating entity in the North Fort Bend Water Authority, membership in the Alliance For Water Efficiency, and as an Environmental Protection Agency WaterSense® Partner. As of January 1, 2012, the District offers a REBATE program for residents upgrading their current fixtures to WaterSense® labeled fixtures in 2012.

Rebate amounts for items with the WaterSense® label:

High-efficiency toilets: \$100/first toilet \$75/second toilet \$50/third toilet

Showerheads: \$10 per showerhead

Faucets: (bathtub/sink) \$10 per faucet

Irrigation Timers: (coming Spring 2012) \$30 (must have rain or weather sensor)

To receive a rebate, you must submit the following:

1. Copy of receipt of the purchase of the WaterSense® labeled item(s);
2. Photographs of the before and after replacement;
3. Copy of the plumbing repair receipt, if applicable; and
4. WaterSense® logo from the packaging of the item(s).

Please mail to the District all of the information listed above, to:
